Courtroom 413 is one of the new "e-courtrooms" and provides state of the art equipment for case presentation. Please note the following provisions:

1. The e-courtroom does not have a court reporter present. If you wish to have a court reporter present for the duration of your trial, you must notify the court at least 48 hours prior to the beginning of trial.
2. If you do not wish to use the services of a court reporter, but would like a recording of your presentation, please provide the court with an **unopened** Fuji Super HG 120 VHS SNG T-120 or equivalent videotape or an **unopened** name brand CD-R disk of high quality to ensure the most reliable record. Tapes and CDs are available in the *Change of Venue* sundries store in the cafeteria.
3. If you would like some pre-trial instruction on using any of the equipment in this courtroom, please contact the division at (602) 506-6849.

All equipment will be ready for your use when you arrive in the court. If for some reason it isn't, please contact my staff for assistance. Do not attempt to set up the court equipment by yourself! In addition, please do not unplug, move, or in any way alter any of the equipment, microphones, cameras, etc. in the courtroom.
