ELECTRONIC ("E") COURTROOM

A record of the proceedings may be made by videotape in lieu of a court reporter. Should you want an unofficial copy of the proceedings, the parties or counsel may give the Court a blank, previously unused video tape at least fifteen (15) minutes before the hearing and a copy will be made at no cost. A specific type of videotape must be used for this system in order to ensure the most reliable record: Fuji Super HG 120 (VHS) (SNG T-120) or equivalent. If the proceedings last for more than one day, a new tape must be provided each day.

For the convenience of the parties, the store in the courthouse cafeteria sells the appropriate videotape. Should an official transcript be required, you may request that the Court prepare it. The party ordering the transcript must pay for it. With this new technology, a court reporter is likely not required and the parties are encouraged to experience the Court's video-recording system before requesting a court reporter.

If a court reporter is required, a written request must be received by the Court at least 48 hours before the hearing.

4:05 p.m. Matter concludes.
