IT IS FURTHER ORDERED setting a telephonic status conference for **December 7, 2012 at 9:00 a.m. (15 minutes)** in this division for the purpose of selecting a trial date. Counsel for Plaintiff shall initiate the conference call by calling **(602) 506-1541**.

9:09 a.m. Matter concludes.

The call should be placed from a telephone in an area with no background noise as this will prevent the parties from hearing the proceedings in chambers. The call may not be placed from a vehicle. Also, the use of cellular telephones is strongly discouraged.

This is a 15 minute proceeding. The Court will determine if more time is needed. If there is a failure to appear, the Court may make such orders as are just, including granting the relief requested by the party who does appear.

No recording will be made nor will there be a court reporter present for telephonic proceedings held in chambers. Any party may request the presence of a court reporter by contacting the division three (3) court business days before the scheduled hearing.
