CIVIL DEFAULT HEARING

Court Reporter is not present.

This is an action for injunction brought by a home owner's association for allegations that the Defendants failed to comply with the CCNR's relating to landscaping, shrubing, and trees.

The parties have come to an accord. A stipulation has not been submitted to the Court. There is an issue relating to the attorney's fees, accordingly, Defendant is granted 20 days within which to respond to attorney's fees requested by the Plaintiff. Upon submission to the Court of either a stipulation and judgment or in the alternative an objection to the form of judgment together with request for hearing. The Court may sign the judgment. In the alternative, if a hearing is requested, the Court will determine the issue of attorney's fees only.

Matter concludes.
