NOTE: Due to the most recent updates and CDC guidelines regarding COVID-19, effective March 7, 2022, public health-related restrictions will be as follows: Health screenings at all court facility entry points will continue. Persons exhibiting any symptoms (aside from a fever) and who have tested negative for COVID-19 within the last 48 hours will be permitted to enter and will be directed to wear a mask. Likewise, anyone who reports close contact with a COVID-positive individual within the past 10 days will also be required to wear a mask upon entering. The Court continues to recommend that staff and visitors wear masks inside Branch facilities, but it will be **optional** for most people, aside from those noted above (symptomatic or close contact). In addition, social spacing in Court facilities will now remain at 3 feet. The division retains discretion to require masking during jury trials when necessary to avoid prejudice.
