CV2017-052655 - Signing September 8, 2022, Minute Entry & Rejecting Other Documents

This Court is in receipt of three additional filings by Plaintiff Nany Berent. None of these filings complies with the Rules of Civil Procedure nor is it clear that these documents were served on the opposing party. The document filed March 1, 2023, and titled "June 22, 2022 motion to set aside a judgment has not been signed. Per court docket clerk of superior court has no written agreement," appears to be in response to the Court of Appeals' Order Continuing Stay, dated February 28, 2023. As directed by the Court of Appeals and interpreting Ms. Berent's March 1, 2023, filing as a motion for a signed order corresponding to the September 8, 2022 ruling, this Court will sign this minute entry incorporating its minute entry from September 8, 2022. Therefore,
