MINUTE ENTRY

The Court is in receipt of Plaintiff's filings styled "Request New Judge Assigned since 12/2021 sign an order for new trial and request judgement order be voided due to fraud upon court," and "Motion to Strike Judge Julians (sic) Minute Entry 2/14/22 Clerk of Superior Court has no written stipulation filed for arbitration," filed February 17, 2023, as well as Court of Appeals order in No. 1 CA-CV 22-0721. The Court of Appeals order lists this case number in its caption, but the text of the order corresponds to events that occurred in CV 2017-052655. Plaintiff's filings referenced above appear to have been intended for other cases, as the case numbers CV 2017-052655 and LC 2018-000464 appear, and this case number (CV 2016-095220) was written above.

Once again, a review of the docket shows this case was dismissed in 2017. The appeal was abandoned, per a letter from the Court of Appeals filed November 27, 2017. The Court will take no action on Plaintiff's filings, which contains no perceptible request for relief in this

It is so ordered.
