ELECTRONIC ("E") COURTROOM

A record of the proceedings may be made by videotape in lieu of a court reporter. Should an official transcript be required, you may request that the Court prepare it. The party ordering the transcript must pay for it. With this new technology, a court reporter is likely not required and the parties are encouraged to experience the Court's video-recording system before requesting a court reporter.

If a court reporter is required, a written request must be received by the Court at least 48 hours before the hearing.
