v.

LAS HADAS VILLAS ASSOCIATION, et al.

BRIAN E DITSCH

WILLIAM J CUROSH

MINUTE ENTRY

With respect to the pending motions for summary judgment that have been filed on behalf of (i) Las Hadas Villas Association, Nancy Fahy, and June Francisco, and (ii) Diana Buchholt, counsel for plaintiff must file a supplemental statement of facts consistent with what Rule 56 requires showing the fact and amount or amounts of financial injury that plaintiff Les Rodin claims to have experienced for each act or failure to act that is alleged in the complaint. The statement must be more than conclusory and must allow one to understand the basis for the amount or amounts attributable to each defendant instead of reciting an aggregate sum attributed to the group.

The deadline for submission of the supplemental statement is May 12, 2017. Failure to submit the statement will be treated as an admission that plaintiff has no claim for compensable financial injury.
