**MINUTE ENTRY**

The Court has received Markham Contracting Co., Inc.'s ("Markham") Notice of Lodging of Proposed Form of Judgment and Proposed Judgment of Foreclosure filed on April 17, 2018. The Court requests that Markham resubmit the proposed form of judgment with the prejudgment interest calculated as of a particular date (*e.g.*, March 31, 2018) for each item, plus a per diem rate for use between that date and the date judgment is entered. That way, the Court will be able to resolve any disputes that may exist regarding the calculation of the interest. Markham should also add the post-judgment interest rate.

**IT IS THEREFORE ORDERED** that Markham shall file a Notice of Lodging of Amended Proposed Form of Judgment as set forth above **within 3 business days of the date this minute entry is filed.**

**IT IS FURTHER ORDERED** that Defendants' deadline to respond to the amended proposed form of judgment shall begin to run on the date it is filed.
