v.

ROYAL RIVIERA H O A

CHARLES D ONOFRY

COMM. JOHN REA

MINUTE ENTRY

The Court has considered Defendant's motion to dismiss, Plaintiff's opposition, and Defendant's reply. Plaintiff filed an opposition to the reply. This is not allowed by the rules and Plaintiff did not seek leave to file the document. The Court has not considered the opposition to the reply.

The Complaint is not in compliance with several Civil Rules, most notably Rule 8 and Rule 10. The Court is strongly inclined to treat the pleadings of self-represented litigants liberally, but even a self-represented litigant must show some sign of attempting to comply with the rules. This Complaint does not.

IT IS ORDERED that the motion to dismiss complaint is granted. Plaintiff is granted leave to file an amended complaint in compliance with rules, including, but not limited, page numbers, numbered paragraphs, and specific statements of the relief sought for each claim. Plaintiff must file the amended complaint by **April 21, 2023**.
