MINUTE ENTRY

The Plaintiff has filed an Application for Entry of Default against the Defendant that is not compliant with Rule 55(a)(2)(F) of the Arizona Rules of Civil Procedure. Effective January 1, 2026, this rule requires the Application for Entry of Default to include in bold, no less than 13-point typeface font the following language, "Under the authority of Arizona Rule of Civil Procedure 55(a)(2), an application has been filed requesting entry of default against [insert party name]. If [insert party name] pleads or otherwise defends within 10 days after the application is filed, default does not become effective, and the court may not enter a default judgement against the party. The 10-day period begins the day after the application is filed with the court, it does not include Saturdays, Sundays, or holidays, and no additional time is added for service by mail." The filed Application lacks this required language.
