ORDER ENTERED BY COURT

The Court has reviewed Plaintiff's Notice of Filing Proposed Form of Judgment, filed on May 5, 2015, requesting that the Court enter judgment on the Arbitrator's Notice of Decision, which was filed on April 1, 2015. The Court can only enter judgment on an arbitration award, and can only do so after the time for appeal has expired. While Under Rule 76(b) a notice of decision becomes an award if no award is filed within 50 days from the date of the filing of the Notice of Decision, it is not clear to the Court whether the 50 days runs from the date of the Arbitrator's Notice of Decision in this case or the date of her Ruling on Plaintiff's Application in Support of Attorneys' Fees. Further, Plaintiff has not provided the Court with a representation that the time for appeal has run and that no appeal has been filed.

IT IS THEREFORE ORDERED that Plaintiff shall submit a Motion for Entry of Judgment Upon Award as required by Rule 76(c) and shall provide the Court with the necessary factual and legal support to enter judgment.
