Please note that **only a licensed attorney may represent a corporation, LLC, or similar business entity in the Superior Court.** *Ramada Inns v. Before the judge can consider anything you send him, you must show him that you have given a copy of your request:

1. To the Clerk of the Court. The Clerk of the Court is a separately elected official. It is the clerk's job to keep an independent record of everything that happens at the court. The court cannot act on a document that has not been made a part of that record; and
2. To every other party involved in the case. This is so all parties have a fair chance to tell the judge what they think before she makes a decision.

Because of that, if you want the judge to consider something you send him, you must file the original document with the Clerk of the Superior Court, mail or deliver a copy directly to this division (that is, to the judge, using his specific courtroom address)

and mail or deliver a copy to all opposing parties. In addition, on each document you must include a signed certificate that says whether you mailed or hand delivered each copy, when you did so, and states the specific people and the specific addresses to which you mailed or hand delivered each copy. If a party is represented by a lawyer, you must send or deliver the copy to the lawyer, not to the party. All proposed orders submitted to this division must include copies of the order with self-addressed, stamped envelopes for all parties/counsel.

Do not mail or send papers for the clerk or other parties to the judge.

If you want to file papers with the Clerk of the Court by mail, please send them to:
