ORDER ENTERED BY COURT

The court has received Plaintiff's Application for Attorneys' Fees and Costs. No response has been received within the time permitted.

Pursuant to Rule 7.1(b), Arizona Rules of Civil Procedure, the court deems the failure to respond within the time permitted by the rules to be a consent to the granting of the Application. In addition, the court has considered the Application and all attachments.

The court finds that Plaintiff is entitled to attorneys' fees and costs.

The court further finds that the sums requested are reasonable. Accordingly,

IT IS ORDERED that Plaintiff have judgment against Defendant for attorneys' fees and costs in the amount requested. Plaintiff is directed to lodge a judgment in accordance with this ruling within ten (10) days of the date of this minute entry.

Let the record reflect that the court is in receipt of Plaintiff's Proposed Permanent Injunction Order, and said Order was signed by the court on July 14, 2006.
