RULING

The Court has reviewed the parties' Stipulated Motion to Extend Deadlines filed on June 27, 2016. The Court entered the first Scheduling Order in this case on March 4, 2016. On May 16, 2016, the parties filed a stipulated motion to extend the pretrial deadlines by approximately six weeks. The Court granted that motion and issued an Amended Scheduling Order on May 20, 2016. Now, only six weeks later, the parties have filed another stipulated motion to extend the pretrial deadlines by four to five weeks. No reasons were provided for the requested extensions.

IT IS THEREFORE ORDERED denying the Stipulated Motion to Extend Deadlines filed on June 27, 2016.

The Court also advises the parties that under no circumstances will it extend the deadline for dispositive motions in light of the October 31, 2016 trial date.
