JUDGE COFFEY

MINUTE ENTRY

The Court has considered Plaintiff's Motion for Additional Discovery and Defendant's Response to that Motion. No reply was filed and the deadline for filing a reply has expired.

While the Court may expand the scope of discovery beyond the presumed limits that are applicable to a Tier 1 case, Plaintiff has failed to adequately explain why the requested discovery is necessary, why it is proportionate to the needs of the case and why it could not have been done prior to the arbitration. Accordingly,

IT IS ORDERED denying Plaintiff's Motion for Additional Discovery without prejudice.
