To assist in the transition to eFiling, the Office of the Clerk of the Superior Court has prepared instruction and training concerning the eFiling system. All parties and attorneys of record in this case are strongly encouraged to study this material before the mandatory eFiling date. The web site address for training materials is:

Additionally, please be sure to review the eFiling Guidelines set forth by Administrative Order 2007-140 at the following web site address:

Upon the mandatory eFiling date, all attorneys of record shall eFile all pleadings in accordance with the guidelines set forth in Administrative Order 2007-140. Self-represented parties or pro per litigants, and other case participants like Mediators, Arbitrators, and Special Discovery Masters are strongly encouraged to eFile all pleadings. If a self-represented party, or other case participant chooses to file their pleading in paper, they shall include a notation just under the case number on the first page of the pleading that the case is an "EFILE CASE".

The eFiling system can be accessed from any computer that has an Internet connection. Free internet access terminals are available in the Superior Court Law Library, and other public locations such as most public libraries.

Where filing fees may incur on an electronic filing, they may be paid by credit card at the time of filing if the filing party choose to use a qualified eFiling service provider. If the filing party chooses to use the Clerk of Court's hosted eFiling system, the filing party is to pay at the time the document is eFiled by calling 602-506-2565 to pay by phone with Visa or Mastercard, or the fee is to be paid at the File Counter prior to eFiling a document that requires a fee. Please do not mail checks for filing fees to the Clerk's Office. Bonds cannot be paid with credit card. Documents will be rejected within two days if statutorily required fees are not paid.

eFiled Orders from the Court will be distributed to attorneys in the same manner each attorney has elected to receive Minute Entries from the Court. Attorneys may enroll with the

Clerk of the Court to receive their Minute Entries electronically via e-mail. The Minute Entry Distribution Agreement form may be downloaded at:

The Court strongly encourages filing parties to submit all proposed forms of order in a Microsoft Word format because that format allows judicial officers to make minor changes to an existing order and issue it electronically.

Motion practice: The movant determines the caption of the filing and all captions on subsequent related filings shall bear the same designation. For example, the filing of a motion captioned "Defendant's Motion for Summary Judgment on Negligence" shall result in any subsequent related filings referring to that title in the caption: "Plaintiff's Response to Defendant's Motion for Summary Judgment on Negligence." No response to a motion shall contain a separate motion, except in the case of a cross-motion bearing the same designation.
