MINUTE ENTRY

The Court has reviewed the Motion for Alternative Means of Service as to Defendant Liska (filed July 30, 2013). The motion is DENIED without prejudice. By way of brief explanation, the Court notes that it has been unable to find anything in the affidavit submitted with the motion to indicate that defendant Liska actually lives at the proposed address. In contrast, the earlier motion for alternative service (regarding defendant Barrera) relied on an affidavit which explicitly indicated that the address was correct (as evidenced by its reference to the door sign, the assessor records, and a neighbor's statement).

ALERT: The Arizona Supreme Court Administrative Order 2011-140 directs the Clerk's Office not to accept paper filings from attorneys in civil cases. Civil cases must still be initiated on paper; however, subsequent documents must be eFiled through AZTurboCourt unless an exception defined in the Administrative Order applies.
