IT IS FURTHER ORDERED that each applicant shall have a proposed form of order for release of excess proceeds available for review at the time of the hearing.

If an applicant does not have a proposed form of order available for review at the time of the hearing, that applicant will likely have to have their portion of the hearing reset to a later date.

Each applicant should confirm prior to the hearing that they have fully complied with the requirements set forth in A.R.S. § 33-812, particularly subpart (G). If an applicant has not complied with the statutory requirements prior to the hearing, their application will likely be denied and they will need to start the process over.
