MINUTE ENTRY

The Court received and reviewed the proposed Order Releasing Excess Proceeds lodged by Claimant Monterey Point II Homeowners' Association (the "Association"). The proposed Order contains awards for attorneys' fees and costs. The Association's Application for Excess Proceeds did not request such awards and instead characterized the amount sought as the "principal amount." Furthermore, there is no affidavit to support an award of attorneys' fees or a statement of costs. Accordingly, the Court declines to enter the proposed Order Releasing Excess Proceeds until the requested awards of attorneys' fees and costs are properly supported in the record.
