This Division no longer sets trial setting conferences as part of an initial scheduling order. Once the parties can certify to the Court in writing that: 1) *all* discovery is complete; and 2) they have *already participated* in a settlement conference or a mediation, they may request that the Court schedule a trial setting conference. The Court will then endeavor to set the trial setting conference shortly after it receives a request to do so as long as the request includes such a certification.
