hearings or trial proceedings recorded previously, please call Electronic Records Services at 602-506-7100. Should an official transcript be required, you may request that the court prepare it. The party ordering the transcript must pay for it. To request a transcript, call 602-506-7100 and provide the date of the proceeding, the case number, the case caption, if the transcript is for an appeal, and your name, address, and telephone number.

With this new technology, a court reporter is likely not required and the parties are encouraged to experience the court's video recording system before requesting a court reporter. If a court reporter is required, the Court must receive a written request at least 3 court days before the commencement of the proceeding. Failure to timely request a court reporter will be deemed consent to proceed without a court reporter.

PLEASE NOTE: This division requires that all motions, responses, replies and other Court requested filings in this case must be submitted individually. Counsel shall not combine any motion with a responsive pleading. All motions are to be filed separately and designated as such. No pleadings will be accepted if filed in combination with another.

The parties shall participate in a mandatory settlement conference. This case is referred to the court's Alternative Dispute Resolution ("ADR") for the appointment of a judge *pro tempore* to conduct a settlement conference. Counsel and/or the parties will receive a minute entry from the ADR office appointing the judge *pro tempore*. Counsel and any "pro per" parties will contact the appointed judge *pro tempore* to arrange the date, time and location for the settlement conference. The judge *pro tempore* is requested to conduct a settlement conference not later than January 31, 2014. The Office of Alternative Dispute Resolution will not do the scheduling of the settlement conference so please do not contact that office.
