NO ACTION TAKEN ON MOTION FOR RECONSIDERATION

Plaintiff filed a Motion For Reconsideration on September 26, 2018. She alleges that the court erred in its August 23, 2018 order when the court dismissed Dawn and Gregg Hopley from this action. When considering the Motion and determining whether a responsive pleading would be sought from Defendants Hopley in accordance with Rule 7.1(e)(2), the court found that a Notice of Appeal had been filed by Plaintiff (September 27, 2018).

A Motion For Reconsideration is not one of the enumerated motions that allow for the suspending of the appeal, pending determination by the trial court (Rule 9(e) of the *Arizona Rules of Civil Appellate Procedure*). As such, this court does not have jurisdiction to decide the Motion For Reconsideration since jurisdiction is now vested in the Arizona Court of Appeals. Unless directed by the Arizona Court of Appeals to address the Motion For Reconsideration, no further action shall be taken by this Court.
