v.

OPTIMA CAMELVIEW VILLAGE
CONDOMINIUM ASSOCIATION, et al.

LYDIA P LINSMEIER

MINUTE ENTRY

The parties submitted a joint report and proposed scheduling order for the Court's review. That report indicates that the parties will engage in either a private mediation or settlement conference, but does not indicate which option the parties have chosen. The report also indicates that a Rule 16(d) conference is requested, but also indicates that there are no items upon which the parties cannot agree, which would seem to obviate the need for such a conference. Finally, the proposed order propounds several dates that are either incomplete or in the past. For those reasons,

IT IS ORDERED the parties submit an amended and corrected joint report and proposed scheduling order for the Court's review within 21 days of this order. The parties must address the following issues: (1) whether they are agreeing to private mediation or whether they are requesting the appointment of a judge pro tem to conduct a settlement conference; (2) if a Rule 16(d) conference is requested, and if so, why; and (3) all dates must be corrected.
