Commissioner Albrecht's division prefers video appearances through Court Connect and Microsoft TEAMS, if possible, as it ensures it is easier to know who is appearing at the hearing and being able to see the other parties reduces interruptions and delays. Additionally, appearing by video increases the chance that the Court can use features such as shared screens to show everyone exhibits or forms that may be helpful for the hearing. However, no party shall be penalized for appearing by phone. Whether parties appear by videoconference, phone, or a hybrid of the two, they should try as much as possible to contact the court from an area with no background noise as noise and echoes prevent the parties from hearing the proceedings in the

courtroom and prevent the court from making a good record of the proceedings. The parties are especially discouraged from appearing virtually from an outdoor location.

IT IS FURTHER ORDERED that if either party has exhibits to be marked, copies of all exhibits shall be submitted online **by end of business January 20, 2025** to the Clerk of the Superior Court for marking at the following website:

<https://www.clerkofcourt.maricopa.gov/services/exhibits-submission>. This webpage also provides instructions and guidance for electronic submission. In the event that a party is unable to access the internet to submit exhibits, they may provide them for marking at the Maricopa County Superior Court, East Court Building, 101 West Jefferson, Courtroom 513, Phoenix AZ 85003 **by end of business January 20, 2025**. If exhibits are submitted through the Division, they shall be marked numerically and consecutively. **Do not skip numbers. Numbers will not be skipped or saved in anticipation of additional exhibits to be submitted.** Exhibits shall be separated by a colored sheet of paper with the exhibit number written on front. Each exhibit shall be clipped or bound if too large to be stapled. The parties shall also provide a bench (paper) copy of their exhibits to this Division's inbox located in the East Court Building Suite #513.

IT IS FURTHER ORDERED that if either party wishes to have audio or video exhibit(s) marked, the parties shall provide those in a digital media format such as a flash drive or a CD, and deliver those to the Maricopa County Superior Court, East Court Building, 101 West Jefferson, Courtroom 513, Phoenix AZ 85003 for marking only **by end of business January 20, 2025**. The flash drive or cd will be marked as one exhibit. Please note that the parties will be responsible for presenting their exhibits at the hearing/trial. The Court will not play exhibits from the digital media devices for the parties. These exhibit(s) shall include the case number, party submitting the exhibit(s), the hearing date and the judicial officer's name. Any exhibit(s) that were already submitted through the Clerk of Court's online portal do not need to be included on the flash drive.

NOTICE: Exhibits submitted to the court for an evidentiary hearing, whether through hard copy or submitted electronically, that are marked as exhibits but are not offered into evidence at the hearing, will be destroyed following the hearing, unless a party requests that the evidence be returned at the conclusion of the hearing. Such requests must be filed with the Court and served on all parties in advance of the hearing or by no later than the conclusion of the hearing.

NOTE: All court proceedings are recorded digitally and not by a court reporter. Pursuant to Local Rule 2.22, if a party desires a court reporter for any proceeding in which a court reporter is not mandated by Arizona Supreme Court Rule 30, the party must submit a written request to the assigned judicial officer at least ten (10) judicial days in advance of the
