RULING

The Court has received and reviewed Intervenor's Application of Phoenix Newspapers, Inc. to Intervene for the Limited Purpose of securing an Order Unsealing and Permitting Prompt Access to Grand Jury Materials filed April 3, 2024. No response has been filed by any of the parties. As reflected in the hearing held before the Hon. Geoffrey Fish on April 19, 2024, none of the parties intends to file a formal response. At the April 3rd hearing, the State took no position on the request to make the materials public except for redaction of any identifying grand juror information. The defendants had no objection as well and agreed with the State's request.

Accordingly,

IT IS ORDERED granting Intervenor's Application.

IT IS FURTHER ORDERED the State shall review all grand jury materials including the grand jury transcripts and any exhibits submitted during the grand jury presentation and redact any identifying grand juror information from those materials.
