MINUTE ENTRY

Lori N. Daybell (G062213)

The Court has received and reviewed the *State's Motion for Defendant's Correctional Health Services Records*, filed June 24, 2025, as well as the Defendant's *Objection to State's Motion for Defendant's Correctional Health Services Records* filed July 10, 2025.

The Defendant put her medical condition at issue by claiming she was too sick to proceed with trial, contrary to the Court's findings that there was no objective medical evidence to support the Defendant's claim that she was medically unable to proceed to trial. The Defendant also interjected a specific diagnosis into some of her pleadings for which there was no evidence other than the Defendant's statements. By peppering various pleadings with her alleged illness and medical diagnosis, as well as other references to her illness, she also disclosed otherwise protected information to third parties and the public, thereby partially waiving patient/medical professional privileges.

Over the Defendant's Objection,

SUPERIOR COURT OF ARIZONA
MARICOPA COUNTY

CR2022-001242-001 DT

07/11/2025

CHS shall provide the records to the State within 5 business days of the filing of this order.
