to the hearing to 602-506-3857. All parties appearing telephonically must be joined in a single conference call and be prepared to hold until called to testify.

The telephone call should be placed from a telephone in an area with no background noise as this will prevent the parties from hearing the proceedings in the courtroom. The call may not be placed from a vehicle. Also, the use of cellular telephones to call into the hearing is strongly discouraged.

The purpose of the status conference will be to address all remaining pending motions. If these motions have been resolved between the parties,

IT IS FURTHER ORDERED that the parties lodge any stipulations by October 9, 2019.
